## SERVICE HOURS

Parental involvement is extremely important in the lives of children and their success. Each 5 day Pre-Kindergarten through Eighth Grade student's family is expected to give 15 hours of service per school year (30 hours for those families receiving tuition assistance). Pre-kindergarten families are expected to give 10 service hours and preschool 8 hours. Any family not able to fulfill their service hours will need to contribute a check payable to Valley Christian School at a rate of \$15.00 per un-served hour, not to exceed \$450.00. Any adult member of the family can participate and donate hours toward your commitment: grandparents, aunts, and uncles, etc. Support of the school, staff, teachers, committees, special events, field trips, auction, etc., may count as volunteer hours.

Since Valley Christian School has an obligation to its employees, students are considered enrolled for the entire school year. Tuition is calculated on the basis of the entire year; therefore, no reductions are made for vacations or school holidays. Students enrolling after the school year has begun will have tuition prorated according to the actual number of days enrolled. No deductions will be made in tuition for absence(s) during the school year, regardless of the cause of such absence(s). Any student withdrawing after the 10<sup>th</sup> of the month is assessed that month's full tuition.

**ALL NON-SUFFICIENT FUND (NSF) CHECKS WILL BE ASSESSED A \$25.00 CHARGE.**
