

Valley Christian School

Early Learning Center

2 year old Caterpillar Room

We would like to welcome you to Valley Christian's 2 year old room. We offer full day care with a structured morning class each day. Children will enjoy a variety of activities such as circle time, art integration, Bible teaching, imaginary play, small and large motor skill development, stories, music, puppets and much more. They will also learn new social skills and interactions with their peers and how to develop self-help skills. We look forward to getting to know you and your child in the weeks ahead. We are looking forward to having a great year! Penny Van Vleet, lead teacher

The following is a **list of supplies** to send on the first day.
